Receptions Erlanger
Erlanger, Kentucky

Air Care and Mobile Care is once again pleased to offer our annual one-day conference for emergency medical professionals. This year's program will cover a variety of topics.

Conference Objectives

Participants will be able to:

- Discuss and describe simple logistic strategies in preparing for pediatric trauma
- Discuss the key components in resuscitation of hemorrhagic shock patient
- Identify treatment strategies for the patient with sepsis
- Discuss the current research and treatment for chest trauma
- Identify capnography and ventilation pathophysiology and applications
- Identify/mitigate clinical pitfalls that contribute to patient morbidity/mortality
- Discuss a field usable definition of anaphylaxis and treatment priorities
